Portfolio: iridescent-marshmallow-d4910f.netlify.app | Open to Remote & Hybrid Roles

PROFESSIONAL SUMMARY

Result-oriented Computer Science student specializing in Web Development with hands-on experience building responsive applications using React, TypeScript, and REST APIs. Proven ability to integrate complex APIs and optimize user interfaces, demonstrated by the deployment of live web tools. Combines technical proficiency with strong leadership and analytical skills honed through national-level competitive selections (NDA, G20).

TECHNICAL SKILLS

- **Languages:** JavaScript (ES6+), TypeScript, Python, SQL, HTML5, CSS3.
- **Frontend:** React.js, Vite, SCSS, Responsive Web Design, DOM Manipulation.
- **Tools & Platforms:** Git, GitHub, VS Code, npm, Netlify, Google Analytics, Google Search Console.
- **Database & Backend:** MySQL, SQL, REST API Integration.

PROJECTS

Open Source Explorer | React, TypeScript, SCSS, GitHub API | [Live Demo](#) | [GitHub](#)

- Developed a dynamic web application to discover GitHub repositories using the GitHub REST API.
- Implemented advanced filtering and sorting features (by stars, forks, language) and pagination for efficient data handling.
- Integrated Google Analytics to track user behavior and optimize UI/UX based on real-world feedback.
- Built with Vite for fast bundling and deployed on Netlify with CI/CD pipelines.

Rental E-Commerce Platform | HTML, CSS, JavaScript, Python, SQL | [GitHub](#)

- Engineered a full-stack responsive rental platform allowing users to browse and rent products seamlessly.
- Designed REST APIs using Python to handle backend logic and SQL for secure database management.
- Ensured cross-device compatibility using CSS Media Queries and modern layout techniques.

EDUCATION

Bachelor of Technology (B.Tech) – Computer Science & Engineering | Reva University, Bengaluru | 2021 – 2025 | GPA: 8.0/10

Higher Secondary (Class XII) | Kendriya Vidyalaya | 2021 | Score: 84%

Secondary (Class X) | Kendriya Vidyalaya | 2019 | Score: 91%

CERTIFICATIONS

- **Microsoft Certified: Azure AI Fundamentals** | Microsoft | Dec 2024
- **Data Analytics with Python** | NPTEL | May 2025

ACHIEVEMENTS & LEADERSHIP

- **UPSC-NDA:** Cleared examination with All India Rank 474; SSB recommended by AFSB Varanasi.
- **Youth G20 Summit:** Awarded 2nd Best Finance Minister for economic policy simulation.
- **Sports Leadership:** University Sports Captain (Chess) with 4 consecutive gold medals; Varsity Athlete in football & basketball.
- **Public Speaking:** Winner of 5 intercollegiate debates & 7 quiz competitions.

INTERESTS

- **Chess:** Rated 2072 ELO (Demonstrates strategic thinking & patience).
- **Geopolitics & International Relations:** Active follower of global tech & policy trends.
- **Reflective Journal Writing & Vipassana Meditation.**
